### About Grupo Energia de Bogota

Grupo Energia de Bogota is the leading corporation in the Colombian power sector. Through EEB it transports electricity to the most significant markets in terms of demand and size in the country and participates in the distribution of electricity. It controls nine affiliate companies and directly performs the activity of electricity transportation in Colombia, in a market with the highest demand in the country. In the electricity chain in Colombia, it participates in the distribution of electricity via Empresa de Energia de Cundinamarca – EEC. In addition, it controls the largest natural gas carrier in Colombia, TGI S.A with a stake of 49% within the market, including an extension of 3,957 Kilometers of gas pipelines, servicing highly populated areas in Colombia such as Bogota, Medellin, Bucaramanga de Coffee Region and Llanos Foothills. In Peru, its company CONTUGAS has a 30-year concession for the transportation and distribution of natural gas in the Ica Department, likewise with its company CALIDDA distributes natural gas in the regions of Lima and Callao. In that same country, together with ISA, it holds stocks in REP S.A. and TRANSMANTARO S.A., which operate 63% of the electricity transmission system in Peru. In 2010, it established TRECSA - Transportadora de Centroamérica S.A.- in charge of building the most important infrastructure Project in Guatemala and will render electric power transmission services as of 2014. Furthermore, GEB holds an investment portfolio in important companies in the electric power sector, in which the following stand out, CODENSA S.A., EMGESA S.A., GAS NATURAL S.A., PROMIGAS S.A. and Electricadora del Meta - EMSA and to a lesser extent ISA and ISAGEN. As of 2013, the Group renders advisory and engineering services in Guatemala and Peru through its affiliate EEB Ingeniería y Servicios. Also, in 2014 it created the company Empresa de Movilidad de Bogotá SAS E.S.P., affiliate company dedicated exclusively to developing electric power mobility projects.
