

EEBIS SIGNS A CREDIT AGREEMENT TO FINANCE THE EXECUTION OF TRANSMISSION PROJECTS IN GUATEMALA

Bogota, D.C. and the City of Guatemala, August 26, 2016. Empresa de Energía de Bogotá S.A. ESP (EEB), parent company of Grupo Energía de Bogotá, notifies the market that today its affiliate in Guatemala, EEB INGENIERÍA Y SERVICIOS SOCIEDAD ANÓNIMA (EEBIS), entered into a credit agreement with Citibank, N.A., London and Banco de Sabadell, S.A., due on August 26, 2021, with Citibank Europe PLC UK Branch acting as the Facility Agent, in the amount of FORTY-EIGHT MILLION DOLLARS (USD 48,000,000), for the partial financing of the execution of such transmission projects the Company is developing in Guatemala. Such credit agreement has been secured by EEB, which was authorized by the Ministry of Finance and Public Credit of Colombia, upon Resolution No. 1902 dated June 23, 2016.

“Closing this transaction will help continue with the execution of such projects in progress in Guatemala; and it also proves how the markets trust the Group”, said Felipe Castilla, Finance Vice President for EEB, parent company of Grupo Energía de Bogotá
