

RELEVANT INFORMATION

November 12th, 2021. Grupo Energía Bogotá S.A. ESP (GEB), in accordance with the third paragraph of article 5.2.2.4.1.5 of Decree 2555 of 2010, which establishes that "*(...) the issuer's controller shall be obliged to disclose, under the terms of this Book, and through the subordinate issuer entity, any relevant information that affects or may affect the securities issued by later (...)*", and compliant with the request of the Bogota's Secretary of Finance, hereby informs that:

Based on the provisions of District Decree 706 of 2017, by means of which it was authorized to dispose of up to twenty percent (20%) of the total subscribed and paid shares of GEB, the Capital District of Bogotá has decided to initiate the market exploration works to determine the viability of disposing of the remaining shares of the aforementioned authorization, corresponding to nine point four percent (9.4%) of the total subscribed and paid shares of GEB, in accordance with the provisions established in Law 226 of 1995.

Therefore, GEB has entered into an inter-administrative contract with its majority shareholder, the Capital District of Bogota, through the District Secretary of Finance, for the purpose of managing the democratization process, which includes the development of the necessary coordination and operational procedures to carry out the different stages of exploration and implementation of the "Subsequent Phase(s)", under the direction of the District Secretary of Finance. All costs and expenses generated by the democratization program shall be assumed by the Capital District.

GEB will maintain the market informed on the next steps in relation to this process.
