

## RELEVANT INFORMATION

**Bogotá D.C., October 27th, 2021.** Grupo Energía Bogotá S.A. ESP (GEB), informs that the Brazilian company Argo Energia Empreendimentos e Participações S.A. (“Argo”), in which it holds 50% shareholding, is in an advanced stage of negotiation with RIALMA ADMINISTRAÇÃO E PARTICIPAÇÕES S.A., to acquire the entire equity of RIALMA TRANSMISSORA DE ENERGIA III S.A. (Rialma III).

Rialma S.A. is a private company that operates in the energy, agriculture, and mining segments. Headquartered in the Federal District, in Brasília, the company is present in 8 Brazilian states and 62 municipalities. In the electric power transmission sector, it was awarded three lots in the 05/2016 auction, successful selling lots 09 and 23 recently.

Rialma III is the awarded company of Lot 30 auction 005/2016 conducted by ANEEL in April 2017. The concession is located in the states of Ceará and Piauí and consists of the construction and operation of 312 km of a 500kv - C1 transmission line.

GEB will maintain market updated on the progress of the negotiations advanced by Argo.
