

RELEVANT INFORMATION

Bogotá D.C., February 1st, 2022. As a follow up to what was informed to the market on November 4th, 2021, Grupo Energía Bogotá S.A. ESP (GEB) announced that after complying with all the conditions contemplated in the share purchase agreement between the Brazilian company Argo Energia Empreendimentos e Participações S.A. (Argo), in which it holds 50% shareholding, and Rialma Administração e Participações S.A., Argo has acquired the entire capital of Rialma Transmissora de Energia III S.A. (“Rialma III”).

Rialma III is the awarded company of Lot 30 auction 005/2016 conducted by the National Electric Energy Agency (ANEEL) in April 2017. The concession is located in the states of Ceará and Piauí and consists of the construction and operation of 312 Km of 500kv - C1 transmission lines.

From this moment, Rialma III's corporate name will be Argo IV Transmissão de Energia S.A.
