

RELEVANT INFORMATION

Bogotá D.C., May 16th, 2022. Grupo Energía Bogotá S.A. ESP (“GEB”) announces that it has entered into a share purchase agreement with the funds managed by Ashmore Management Company, to acquire its shareholding in the Colombian company Elecnorte S.A.S. E.S.P. (“Elecnorte”), corresponding to 100% of the shares.

Elecnorte is a company that was selected under the Public Call UPME STR 06-2016 for the design, construction, administration, operation and maintenance of a transmission line of the Regional Transmission System with a length of 138.3 km approximately in the department of La Guajira. The asset consists of two transmission lines of the Regional Transmission System operating at a voltage level of 110 kV, whose location is as follows: (i) 76.51 km between Riohacha and Maicao substations and (ii) 61.79 km between Riohacha and Cuestecitas substations, as well as the connection bays at the aforementioned substations.

The closing of this transaction is subject to the fulfillment of certain terms and conditions set in the purchase agreement. GEB will maintain the market informed on the closing of the transaction.
