

## RELEVANT INFORMATION

**Bogotá D.C., January 24th, 2023.** Grupo Energía Bogotá S.A. ESP (GEB) informs that as part of its strategy to strengthen the transmission business in Colombia, it has incorporated a subsidiary called Enlaza Grupo Energía Bogotá S.A.S. ESP (Enlaza), registered in Bogotá D.C. and whose main corporate purpose is to provide the public electric power transmission service, the representation of transmission assets, electric assets and the execution of the activities of administration, operation and maintenance of such assets; management of transmission projects and provision of services, among others.

Since GEB holds the total shareholding of Enlaza, it exercises direct control over it, making Enlaza part of the Business Group. The situation of corporate control and Business Group was duly registered in the Commercial Registry on December 13th, 2022.

With the incorporation and start-up of Enlaza as of January 2023, GEB seeks to continue the path of consolidating its role as the parent company of a multi-Latin Business Group with participation in the energy and natural gas supply chain, strategically guiding and directing its controlled assets with a vision on the future and sustainable growth.
